November 2, 2026

Dear CCPC Families -

At CCPC, our Annual Fund helps make CCPC a special place where children can play, explore, create, and grow.

Thanks to your generosity, we've transformed our playground, renovated the Big Room, upgraded our playing field, and invested in professional development for our amazing teachers. Together, we're making a meaningful difference in our children's everyday experiences.

This year, our goals are simple:

•100% family participation - every gift counts!
•Raise $20,000 to enhance our classrooms and learning spaces.

Every contribution, at any level, helps us reach these goals. In fact, our CCPC staff has achieved 100% participation for the past three years! Now, let's see what our families can do together.
Please consider making a tax-deductible gift at a level that works for your family. Every dollar makes a difference, and every family helps strengthen our wonderful community.

Together, we can make little things add up to something BIG!
