PAYMENT METHOD AND CONVENIENCE FEES

Each family will create an account through our Parent Portal. Through the portal, parents receive invoices for regular tuition, drop-off/drop-in class tuition, and incidental voluntary expenses such as Special Event Fees and Annual Fund pledges.

Invoices for each installment will be sent on the 1st of the month and due on the 15th of that month.

Payment of these invoices may be made through the portal by setting up a credit card or bank account as the payment method. You can set your account to be automatically paid for each installment on the invoice due date, or you can choose to initiate the payments.

Monthly convenience fees will be added to invoices and based on the method of payment that you have chosen.
