PAYMENT METHODS

CCPC Nursery school offers two payment plans. Families can choose to make one annual payment for the entire year, or to make payments in three installments. For families who choose to pay by installments, invoices for each installment will be emailed on the 1st of September, December, and March and are due on September 15, 2023, December 15, 2023, and March 15, 2024. Payments for full annual tuition are the only payments that can be made by check.

Payment of these invoices will be made through our parent portal by setting up a bank account to be debited. CCPC does not accept credit card payments. Accounts will be set up to automatically pay invoices on their due date. Special arrangements can be made by contacting the director.

Each family will receive an email for each invoice created through the Parent Portal, including regular tuition, drop-off/drop-in class tuition, and incidental voluntary expenses such as Special Event Fees and Annual Fund pledges.

CCPC Nursery School does not make up days or refund tuition for snow days or other unexpected closures due to, but not limited to, all mandated closings by the Office of the State Superintendent of Education and/or the District of Columbia or federal government.
