

## Daily Health Screening - ASK-ASK-LOOK

**This 3-step process must be completed successfully before your child is cleared to enter the classroom.**

**If your classroom teacher can not verify these 3 steps, then the Director will make a determination regarding your child entering the classroom.**

### Step 1 - Please answer this question

**Has your child experienced any of the following symptoms since they were last at school?**

- Fever (subjective or 100.4 degrees Fahrenheit) or chills
- Cough
- Congestion/Runny Nose
- Sore throat
- Shortness of breath or difficulty breathing
- Diarrhea
- Nausea or vomiting
- Fatigue
- Headache
- Muscle or body aches
- Poor appetite
- New loss of taste or smell
- Any other symptom of not feeling well

### Step 2 - Please answer this question

**Has your child been in close contact with a person who has COVID-19 since they were last at school?**

### Step 3 - Temperature Check/Visual Check

- a temperature check via a contactless thermometer
- a visual inspection for signs of illness which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness
