ACTIVITY FEES

Your child's activity fee pays for field-trip costs and also for the special programs that come into our school to enrich your child's day with yoga, music, movement, and more. This is a one-time fee, billed in September, that covers all your child's activity costs for the school year.

PAYMENT METHODS

CCPC Nursery school offers two payment plans. Families can choose to make one annual payment for the entire year, or to make payments in three installments. For families who choose to pay by installments, invoices for each installment will be emailed on the 1st of September, December, and March and are due on September 15, 2022, December 15, 2022, and March 15, 2023. Payments for full annual tuition are the only payments that can be made by check.

Payment of these invoices will be made through our parent portal by setting up a bank account to be debited. The school no longer accepts credit card payments or charges convenience fees. Accounts can be set up to automatically pay your invoices on their due date, or each payment can be initiated manually.

Each family receives an email for each invoice created through the Parent Portal, including regular tuition, drop-off/drop-in class tuition, and incidental voluntary expenses such as Special Event Fees and Annual Fund pledges.

CCPC Nursery School does not make up days or refund tuition for snow days or other unexpected closures due to, but not limited to, all mandated closings by the Office of the State Superintendent of Education and/or the District of Columbia or federal government.
