## 2018 - 2019 Tuition Payment Plan

Each family commits to the full annual tuition upon admission to our school. You may pay the entire year's tuition at the beginning of school, or choose the monthly payment plan in which each payment is for two months of tuition. You may also arrange an individual payment plan with the School Administrator. Tuition is based on the number of days that your child attends school. Please choose the plan that is most convenient for your family and return the signed form to the CCPC office by September 1.
