

# FAREWELL TO OUR PRE-K GRADUATES!

Dear Parents,

How can it be that our year together is over? It has been a joy to get to know you all and I can't imagine a better job than being surrounded by the curious, energetic and loving children at CCPC each day. This week, we enjoyed Water Play, shed a tear at the PreK graduation ceremony and lunch, and bid farewell to our beloved Betty Manfreda as she concluded a remarkable career as an early childhood educator.

Believe me, your teachers and I are shaking our heads in collective wonder at the progress and development of each and every student. I see our core values of **COMMUNITY**, **KINDNESS**, **EXPLORATION**, **RESILIENCE** and **CREATIVITY** displayed in hundreds of big and small ways weekly. I remain so grateful to serve as Director to such a wonderful, engaged and loving community.

## **PART-TIME ASSISTANT TEACHERS and SUBSTITUTES NEEDED**

Do you know someone who is a teacher or has worked with young children? We are hiring for both 2 and a 3 morning position and also always like to add names to our Substitute Teacher Call List. Please let Noni know if you or someone you know would like more information.

## **LOOKING AHEAD: 2018-19 SCHOOL YEAR INFORMATION**

We are working on class placements and calendar details and will send an **IMPORTANT email to you in mid-June** detailing necessary forms and a key dates calendar which includes Class Visiting Days. Please email me or call the Office with any questions over the summer.

SUMMER READING: Two recent articles for your enjoyment. The STEM article is relevant to our boys too!
