Dear Wonderful CCPC Families,

It is with much excitement and appreciation that we invite you to participate in this CCPC's 2021-2022 Annual Fund Campaign: *Give Big for the Big Room!*

Each year, the CCPC Annual Fund is an important source of funding necessary to support the school's strategic initiatives. This year we turn our focus inward toward the Big Room, a space for all students to learn, play, create, and thrive.

On a rainy day, the spacious Big Room serves as a foundational alternative to our incredible outdoor space, but it is also much more. The Big Room is a place where traditions are established, early childhood development is promoted, and special memories are made. A sample of favorite Big Room activities include: Yoga with Mrs. Creer, Jump Bunch Gross Motor Classes, the PreK Holiday Pageant, the PreK Circus & Graduation Ceremony, the Giant Spaceship Family Fun Build Day and rollicking Holiday Sing-Alongs for every class. It's also the home to the Early Drop-off program which allows children to start their day early and gives parents flexibility when needed. We hope to bring back this great service as soon as it is allowed post-pandemic.

Together with your support, we can elevate our beloved Big Room to create a dynamic and vibrant space for children's gross motor play and cherished community events and celebrations. Plans include new gymnasium quality flooring, fresh paint and wainscoting, and beautiful new wooden state-of-the-art indoor play equipment.

Please join 100% of our teachers and our entire Parent Advisory Committee who have already committed to this year's fund, as we strive to reach our goal of 100% participation schoolwide.

We appreciate your support in this important initiative and are incredibly grateful for this wonderful community that each of you contribute to every day.

Sincerely,

Andrea and Dan Murray, Annual Fund Chairs

Proud parents to CCPC graduate Juliet, current PreK Chameleon Lewis and future student Charlie
